We are pleased to send you a sample of our new Mark's Gospel in the New Living Translation. This is specially designed with personal witnessing in mind. The back pages contain a new outline of the Gospel written by Mike Wiltshire. There is also a tear-out card to send off to the Christian Enquiry Agency for more information.

We will continue to stock our well used NIV John's Gospel, which includes a reply card and a Gospel outline using the bridge illustration.

As usual we are willing to send two free copies of either Gospel to anyone on our mailing list. Let us know you have given them away and we will send you two more. Bridge Builders exists to enable Christians to share their faith one-to-one.

Bulk Orders

Many individuals, Churches and Christian organisations use our Gospels in larger quantities and we are happy to supply them to you on the understanding that you send us a donation to cover the cost. Please see the scale of suggested donations.

Yours sincerely

Dave Bennett
National Director
